Ibid - In the order cited the Government were pleased to sanction the retention from 1-4-51 till 30-9-51 of twenty three chowkidars for work relating to the prevention of smuggling of foodgrains in this district. These chowkidars are stationed on strategic points in the district in order to prevent smuggling of foodgrains outside of the district. As the tendency to smuggle foodgrains outside the district on all sides is on the increase on account of the high price paddy fetches in the deficit areas, and as the interdistrict ban on the movement of foodgrains still continues, the further retention of the existing 23 chowkidars is absolutely necessary. I therefore request that the Board may be pleased to move the Government to sanction the further retention of the existing chowkidars for a further period of six months from 1-10-51 to 31-3-1952. A statement shewing how the 23 chowkidars are employed now is enclosed.

I invite your attention to my report Ref.C.No.W6-771/51 dated 11-6-51 in Board's reference cited above and request that since there is no change in the conditions necessitating the retention of the smuggling staff the Board may be pleased to move the Government to sanction the further retention of the existing chowkidars for a further period of six months from 1-10-1951 to 31-3-52. The harvest of the main crop will be in full swing in the month of October and there is need for the extension of the period of staff so that smuggling of foodgrains outside the district may be prevented.
